Re: *Reese v. CNH Global N.V.*, Case 2:04-cv-70592-PJD-PJK (E.D. Mich. filed Feb. 18, 2004)

Dear Darcie:

Enclosed please find documents bearing numbers CNHA055625 through CNHA059030 and CNHA059054 through CNHA59331 in response to Plaintiffs' Fourth Request for Production of Documents. Please refer to the documents for the confidentiality designations of CNH Global N.V. and CNH America LLC (referred to collectively as "CNH"). Please also find a supplemental Federal Rule of Civil Procedure 26(b)(5) catalog of documents and a non-reliance notice from Towers Watson & Co., the custodian from which CNH obtained some of the documents produced.

Please note that a zip file containing native versions of additional documents bearing numbers CNHA059031C through CNHA059053C has been uploaded to an FTP site. The zip file, which you can download, is named "Document Production.zip" and is approximately 34 MB in size. You will receive login credentials and access instructions to the FTP site by email. Please note that each of the files has its original filename appended to the bates number. The letter "C" indicates a file is confidential under the protective order in this case. These files will be available on the FTP site for your download until Friday, April 19, 2013, at 17:00 EDT.

Feel free to contact me if you have any questions.

Sincerely,

Laura J. Capotosto
